

# Supreme<sup>®</sup> AR, Supreme<sup>®</sup> & Classic<sup>®</sup> Shingles

2002 FUNDAMENTAL<sup>™</sup> SERIES

*DISTINCT VALUE BY DESIGN*

*The Pro's Choice*

# Supreme<sup>®</sup> AR, Supreme & Classic<sup>®</sup> Shingles

## Standard Design & Durable Performance

The right balance between beauty and value, a three-tab shingle with a beautiful selection of colors.

These shingles are constructed of durable weathering-grade asphalt and a tough Fiberglas<sup>®</sup> mat core for reliable performance.

- Supreme AR shingles are engineered to resist roof discoloration from algae growth. They carry a 10-year Algae Resistance Limited Warranty.\*
- Supreme AR and Supreme shingles offer a 25-year limited warranty.\* Classic shingles offer a 20-year limited warranty.\*
- Weathering-grade asphalt.
- 60 MPH Wind Resistance Limited Warranty\* helps ensure performance.
- Class A UL Fire Rating – the industry's highest rating.
- Enhanced warranty protection and extended period of non-prorated Tru PROtection™ coverage of 10 (Supreme AR, Supreme) to 5 (Classic) years available with optional System Advantage<sup>®</sup> Limited Warranty.\*

	UL 790, Class A
	UL 997

\* See actual warranty for details, limitations and requirements.

Owens Corning strives to accurately reproduce photographs of shingles. Due to manufacturing variances, the limitations of the printing process and the variations in natural lighting, actual shingle colors and granule blends may vary from the photo. The pitch of your roof can also impact how a shingle looks on a home. We suggest that you view a roofing display or several shingles to get a better idea of the actual color. To accurately judge your shingle and color choice, we recommend that you view it on an actual roof with a pitch similar to your own roof prior to making your final selection.
